Cara na Mara provides a child centred approach to introducing children to sailing and the marine environment.

PARENTS PLEASE READ THE FOLLOWING

Course Times

Monday to Friday **(10-5)** (children can be left from 9.30 under the supervision of the instructor).

Lunchtime will be supervised.

Children may sign up for more than one course. It is expected that to gain the necessary skills a minimum of one full week will be required. Ideally the dolphins level requires 2 weeks to achieve everything within the level.

Lunch-time Shore Parent

The courses cannot run without the support and aid of parents. Lunch times in cara na mara will be supervised by the assistants (age 15 and 16) - the instructors go off-site. At lunch-time each day we require a parent to oversee the lunch time supervision. When all applications are processed, a roster will be sent out with names and contact numbers so you can arrange between yourselves to swap unsuitable times. **It is up to you to find a replacement if you cannot make the allocated lunch-time slot.**

Sign-in and Sign-out

All children must be signed-in by a parent or guardian each morning and signed out each evening when they are collected. The sign-in sheets will be in the cara na mara room. This will always show where the trainees are at any time - whether on the water or on land expedition— if a parent or guardian comes to collect a child early.

Membership

In order to participate in a course the participant must be a member of the club. Junior membership is **€115** if paid before the end of January, increasing to €125 after such time. Membership gives the junior full access to the sailing - including Wednesday night sailing and the tennis activities in the club. There is also a family membership. For the best type of membership for you contact **Donal** at the office on **053-9147504**. For **2018** there is an offer for **NEW** Junior members of **€85** per junior.

Terms and Conditions-PLEASE READ THE FOLLOWING TERMS AND CONDITIONS CAREFULLY BEFORE SUBMITTING YOUR APPLICATION :

1. WHBTC is a recognised Training Centre accredited by The Irish Sailing Association (ISA). All courses offered are approved by the ISA and regular inspections are carried out to ensure that the club's courses are complying with ISA guidelines. Visit www.sailing.ie for more information.
2. The club has a number of policies which ensure the safe and effective operation of our courses. These cover matters such as safety and the wearing of lifejackets/buoyancy aids, but also cover bullying and child protection. All parents and participants agree to be bound by these policies.
3. Attendance at a course does not guarantee that a participant will achieve that level. Certificates are awarded based on achievement only.
4. WHBTC does not permit the use of Mobile Phones/Cameras in the changing room. All valuables, phones etc. should ideally be left at home or should be handed to the Shore parent for safe keeping.
5. Participants are not permitted to bring any alcohol, matches, lighters, or weapons of any kind (including pellet guns, catapults etc.) to the club.
6. All participants must be aged 6 years or over on 03/07/17 and should be comfortable in water out of their depth
7. Places on each course are limited as we must adhere to a strict ratio of instructors to trainees. Places will be allocated strictly on a first come, first served basis. Applications for places will only be considered when submitted with full payment. Once an application has been accepted and a place on a course allocated, we regret that fees cannot be refunded unless the place can be filled from a waitlist. If the club is unable to accept an application for any reason, any fees paid will be refunded.

8. For a sailing course to be as effective as possible, trainees must get out onto the water as soon as possible and as often as possible. Unfortunately, with the weather that we experience, that is not always possible.
9. Course participants are not allowed to leave the confines of WHBTC at any stage during the Cara na Mara Course and must be signed in and out at the start and end of each day by their parent or guardian. Participants should bring a healthy packed lunch with them every day. Snacks and soft drinks etc. will be available during lunch hour from the club bar.
10. All participants are expected to play their part in the effective running of the course. This means participating willingly, following the instructions of instructors, supporting other participants, taking turns to clean the Wreckreation Room and being respectful, polite and friendly to instructors, other club members, and fellow course members.
11. In keeping with the family ethos of the club, we also require parents to play their part in the effective and cost efficient running of our courses. To this end, each child attending a course will have a parent (or grandparent or other suitable adult) rostered to supervise "Lunch Hour". This is an essential safety role and does not require you to go on the water. A thorough briefing will be provided. Please bear this in mind when booking courses.
12. Any participant who is found to have "borrowed" another participant's property without permission will be asked to leave the course immediately.
- 13. Bullying, in any form, is strictly prohibited. This includes spreading rumours, name calling and exclusion as well as the more obvious forms. Removal from the course and exclusion from the club may result if deemed necessary by Senior Instructor/Club Management.**

Places are limited on all levels for 2018 – apply early to avoid disappointment.
